Hughes Sentiment Strong.

Republican state convention at Excelsior Springs last week, that the sentiment of that party in this state largely favors the nomination of Hughes

Aside from the preference expressed for Weeks among delegates from the Third district, sentiment appears to have been favorable to Hughes.

Delegates from Cole and other coun ties say that if Hadley's name should be presented at Chicago, the Missouri delegation will support him, but that there was no mistaking the preponderance of the preference for Hughes.

Two Announce for Congress. Two congressional candidacies were

announced here. Both are by Republicans. North T. Gentry of Columbia will

seek the nomination in the Eighth district. Marion E. Rhodes of Potosi, Washington county, will make the race in

the Thirteenth district, which he at one time represented in congress.

Railway Asks Mandamus.

The United Railways of St. Louis has applied to the supreme court for a writ of mandamus in the suit to prevent the public service commission from passing on the question as to whether the company shall be compelled to build additional street car lines in that city.

Woman Convicted of Killing.

Mrs. Susie Ross was convicted for the third time of the killing of her husbands in the circuit court here, and was sentenced to 10 years in the penitentiary. An insanity plea was disregarded by the jury.

School Head Re-elected. At a meeting of the board of education Prof. Samuel A. Baker was reelected superintendent of the public schools for the coming year. He has held this position for three years and has been largely responsible for many improvements in the grammar and

high school. The remainder of the teaching corps of 60 will be selected this month. The board of education reorganized for the year by electing Charles Tweedie, president, and Houck McHenry, vice president

Missourl Short on Cotton The effect of the European war or cotton crop of the United States for 1915 is shown by the fact that the cotton growers of Missouri for that year only produced 46,587 run-

pared with 78,409 bales in the year Reduced to bales averaging 500 pounds, the 1915 production for Missouri was 48,637 bales, compared 81,752 in 1914. The farmers of Missouri are always very keen and alert Years old, who was playing with Haland lost nothing by the reduction, as the acreage planted in wheat, corn, alfalfa and other commodities sold for as much as the cotton would have

brought. Missouri's 1915 production of cot ton, cotton-seed, cotton-seed oil, cotton-seed meal and hulls in the aggre gate was worth, approximately, \$4,-500,000, of which about \$3,000,000 went to the growers of Butler, Dunk lin, New Madrid, Ozark, Pemiscot Stoddard, Taney, Ripley, Howell, Mississippl, Oregon and Scott counties. The other \$1,500,000 represents the

value of the by-products. The 1915 production of cotton by Butler, 928 bales; Dunklin, 24,348; New Madrid, 6,135; Ozark, 232; Pemiscot, 14,133; Taney, 230; Stoddard, 13,894 and Ripey, Oregon, Howell, Mississippi and Scott other night. He had lived in Sedalia 316 bales.

Postpones Rate Hearings.

The supreme court will not hear the railroad rate controversy until the October term. This means there will be no change in the old passenger and freight rates before the end of the year, if then, regardless of what the ruling of the court may be.

When the public service commission finally made an order increasing the freight and passenger rates, after a hearing and inquiry lasting more than a year, shippers and passengers filed through former Congressman Marion E. Rhodes an appeal in the circuit court of Washington county. All the main line roads except the Chicago & Alton asked to have the suit dismissed so far as they were concerned, since the controversy was between the commission and the shippers and the City Life Building, 804-6 Grand avepassengers. This motion was allowed and after the judge had made an order suspending the commission's ruling, the supreme court was expected to take up the matter as soon as an appeal had been filed.

Folk Declines to Run.

In spite of thousands of letters and messages urging Hon. Joseph Wingate Folk to allow his name to be used as a candidate for governor on the Democratic ticket the former governor has declined the honor. In a letter to friends in St. Louis and in the capital he says he can see no reason why he should get into the race. He further states that he has no doubt of a Democratic victory this fall.

Major Defends Administration.

The criticism of Democratic officials for their alleged attempt to divert and other state expenses, and the kingum county, Ohio. characterization of the present Democratic administration as incompetent, extravagant, inefficient and humiliatin a statement just given out.

There is apparently unanimity of school district which votes the maxisection of Missouri, who attended the valuation is guaranteed an eight months' school.

Young Major Quits Job.

Elliott W. Major, Jr., son of the governor, who was meeting his own expenses as a student at Westminster College, Fulton, by milking the cows at the state hospital for the insane for \$25 a month and board, has resigned his milking job.

The governor's son grew tired of rising at 4 o'clock to pail the cows, of which there are a number and of hurrying home from school in the afternoon to perform the same service for the cows again.

Accordingly he tendered his resignation as a state milkman to Supt. Biggs of the hospital, who employed him, and hereafter will live with other boys at a dormitory.

SALTS IF BACKACHY OR KIDNEYS TROUBLE YOU Eat Less Meat If Your Kidneys Aren't

Acting Right or If Back Hurts or

Bladder Bothers You. When you wake up with backache and dull misery in the kidney region it generally means you have been eattoo much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are

obliged to seek relief two or three times during the night. Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink .- Adv.
